Our Ref: JPT/HMH

13th May 2022

Dear Parents and Carers

I hope this email finds you well. We are finally at the point we have been gearing up to, the start of Year 11 and Year 13 exams. It does feel like a long time since we have done this. If we can help your child in any way with their revision or exam preparation please do not hesitate to contact us. Our message to students is a simple one, that they should do their best. They should not put too much pressure on themselves and so long as they have achieved the best they can then they should be proud of what they have done.

We are still struggling for exam invigilators. If you or anybody you know can support us with this then please reply to this email and we will be in touch.

Following on from my email last week we are aiming to hold the Year 7 Consultation Evening later this year both online and in person. We will evaluate how this works and then make a decision about Consultation Evenings for next year.

We have been able to organise a trip to Spring Lakes, Long Eaton for the students who were impacted by the cancellation of the Bushcraft trip. The Bushcraft trip has now been rearranged for September.

I want to take this opportunity to celebrate the award that we have won as a school. We have won the Trent and Dove award for outstanding impact on the community for our Penpal project students set up with elderly residents at a residential home during the pandemic. I am delighted that through these difficult times we have been able to have an impact on so many people's lives.

15% of parents are not aware of our Ready to Learn programme, our drive on improving behaviour and uniform. Please see details of this [here](#) and in the other letters [here](#).

50% of parents said that we had not made them aware of what their child would study this year. Following the last survey I provided the link for this and have done that again [here](#).

I take on board parents comments about needing to increase rewards and positive points and will ensure we have a plan for this for September.

I hope you have a wonderful weekend.

Kind regards

Mr Jamie Tickle

Headteacher
