Dear Parents and Carers

Can I start with a plea for help. We have a slightly increasing number of students who, when they feel ill, are messaging you directly and asking you to come and pick them up. If your child does this, please ask them to go and see a first aider or their Head of Year so we can assess how ill they are. We will obviously contact you if they are then unable to stay at school but sometimes, as I am sure you can imagine, they just need a little bit of encouragement.

While I am asking for favours, can I ask for another one regarding homework. We have had a slight decline in the number of students completing their homework. All homework is listed on Showbie. Some subjects, such as Maths, give one homework that lasts the whole week that is due every Wednesday. Please can you spend a little time checking with your son / daughter what homework they have this week and help them in organising themselves to ensure it is completed on time.

Our second trip to France appears to have gone exceptionally well and students will be returning tonight.
