

Abbot Beyne School

Our Ref: JPT/HMH

4th April 2nd May 2025

Dear Parents and Carers

What a **Champion** week that was. It really has been **Premier League** standard. The weather has made **an** enormous difference and it has been lovely seeing Year 8 back on the **field**. All we need now is a place to **live** with an impressive swimming **pool** (sorry, I'll stop now).

In all seriousness, it has been a really positive first week back. I do think the short half term really helps everyone's mindset.

We have lots of upcoming events over the next term. Next week is the Year 8 Consultation Evening, we have our transition days for our Year 6 students and open mornings for our Year 4 students who attend local primary schools. We have our usual Sports Day, Community Sports Day and Activity Day in the last week of term. We have our Year 11 Prom and Year 13 Starry Night Leavers party as well as a number of other trips and visits.

However, before all of this is the important seasason of exams for our students in Year 11 and Year 13. In school we have put in a significant amount of work into preparing students for these exams and we hope their revision outside of school will enable them to be successful in these exams. If you need any support in helping your son or daughter revise please do not hesitate to get in touch.

Thank you to those parents and carers who completed our survey before Easter. Next week I will talk about the results and how we use your suggestions to improve. The last question is my favourite with over 90% of you willing to recommend this school to another parent. Thank you.

I hope you enjoy the long weekend.

Kind regards

Mr Jamie Tickle

Headteacher
