

Abbot Beyne School
Easter Revision
2026

The Easter holidays are a crucial period of time where you can make a significant difference to your achievement in your GCSEs and A-levels through careful planning of your revision.

You will be creating a revision timetable to help organise your revision. We will also be running some revision sessions during the Easter holiday period. We very much encourage you to attend as many of the sessions as possible.

Use the following planner to decide which sessions you want to attend. Then use the Google Form (accessed through the email sent by Mr Holden) to sign up with your school email address. You can not sign up for two sessions that are running at the same date and time!

You are making a commitment to attend a session by registering for it - we therefore expect you to attend and be there on time along with any equipment you need.

Please bring your iPad and equipment to all revision sessions and your calculator (if you have one) to any maths sessions.

Revision sessions timetable

(Please bring pens and charged iPads to all sessions)

Subject	Who should attend?	Date	Time	Location	Focus of session
Chemistry (Triple Science)	Year 11	Monday 30th March	9.00am - 11.30am	L16	Key subject content from paper 1 and 2 (that always comes up but is always tricky). How to answer 6 mark questions
Chemistry - Higher	Year 11 - combined science students - higher paper	Monday 30th March	9.00am - 11.30am	L15	Looking at RPs and how to answer longer questions using command words.
Biology	Year 13	Monday 30th March	9.00am - 11.30am	L17	Exam skills and practice for the longer answer questions.
Biology (Triple Science)	Year 11	Monday 30th March	12.00pm - 2.30pm	L16	Key subject content from paper 1 and 2 (that always comes up but is always tricky). How to answer 6 mark questions.
Chemistry - Foundation	Year 11 - combined science students - foundation paper	Monday 30th March	12.00pm - 2.30pm	L15	Looking at RPs and how to answer longer questions using command words.

Revision sessions timetable

(Please bring pens and charged iPads to all sessions)

Subject	Who should attend?	Date	Time	Location	Focus of session
Chemistry	Year 13	Monday 30th March	12.00pm - 2.30pm	L17	Exam skills and practice for the longer answer questions.
Biology - Higher	Year 11 - combined science students - higher paper	Tuesday 31st March	9.00am - 11.30am	L15	GCSE exam preparation, with a focus on challenging areas of the specification. The session will cover exam technique, including interpreting questions, applying knowledge effectively, and addressing common misconceptions to help students improve confidence and performance.
Physics - Foundation	Year 11 - combined science students - foundation paper	Tuesday 31st March	9.00am - 11.30am	L16	GCSE exam preparation, with a focus on challenging areas of the specification. The session will cover exam technique, including interpreting questions, applying knowledge effectively, and addressing common misconceptions to help students improve confidence and performance.
