Abbot Beyne School

Our Ref: JPT/HMH

9th October 2026

Dear Parents and Carers

Thank you so much to those of you who came to school last night for our Education Evening to discover how we use the iPad in school and also how to help your child with their homework. We will create a dedicated section on our website that will include this presentation, the presentations from our Open Evenings and any other events we hold at school.

Next week is our first Year 11 Assessment Week of the year. Students have been working well leading up to this with high expectations based on last year's results. This week I presented our record GCSE results to the governors who are delighted at the progress we are making whilst still holding true to our values.

A reminder that if you can support the Careers Fair in school on Thursday 22nd October, please let us know. This will be the last day of this half term as Friday, October 23rd, is an INSET Day. Students will then return to school after the half term break on Monday 2nd November.

I have been contacted by several parents about our students and the driving around Bearwood Hill Road and Balmoral Road. Please remind your son / daughter not to wait in this area in the morning before school. We will increase our staff presence there again. However my bigger concern is the driving and I am worried we are going to have an accident here. Please do not park on the double yellow lines. Last week, I even witnessed someone reversing out onto Bearwood Hill Road. I know we often all need to get to places quickly but please think about the safety of all of our students. My recommendation to you all would be to try and drive all the way around and come out of Kensington Road.

Finally, it is survey time of year. If you have the time I really would appreciate any feedback you have. Please find the link here. The closing date for survey responses is Friday 16th October.

Kind regards

Mr Jamie Tickle
Headteacher
