Abbot Beyne School

Our Ref: JPT/HMH

13th November 2026

Dear Parents and Carers

One request that arose from the surveys you kindly completed was the opportunity to visit the school and see us in action. We tried this last year, and I would like to do it again. Before Christmas, I will offer a couple of dates for you to visit the school and go into lessons to see what it is like being a student at Abbot Beyne School. At the end of the tour, I would appreciate some of your time to ask what you think about the school, how your child is progressing, and what we can do to improve further. There will be a date at Evershed and another at Linnell (which will also include a visit to the Sixth Form). I will also try to get a couple of students to come and talk to you about their experience of the school.

Alongside this, I would like to be a little more open to listening to what you have to say. The tours above will take place with a group of parents coming in together; however, if you would prefer to come and talk to me on an individual basis, I am happy to accommodate this as well. Rather than unpicking things that have already happened or trying to solve an ongoing issue, I want to use this time to listen genuinely to the experiences you are having with the school and any suggestions you may have on how we could improve. If you are interested in this please email the school office and I will try to set up a meeting with you before the end of term.

As you probably know in your own lives and work, there are lots of bugs going around at the moment. As always, if your child can come to school please do send them in with a packet of tissues.

Kind regards

Mr Jamie Tickle
Headteacher
